

Student Guide: HOW WILL WE CREATE IMPACT?

The purpose of this training module is to provide you with an understanding of project planning in order to help you work with your SIA Team to successfully begin to plan and implement a service project or activity.

THIS MODULE WILL HELP YOU LEARN

- The basic elements of a good project plan.
- What SMART Goals are and how they can help you create some short-term goals for your Team's project or activity.
- How to begin the process of planning, organizing and delegating responsibilities using a project planning document.

TO HELP YOU GET STARTED
