

Student Guide: WHAT'S OUR SERVICE?

The purpose of this training module is to provide you an opportunity to identify one or more service projects or activities that will allow your SIA Team to experience success toward your goals early in the school year.

THIS MODULE WILL HELP YOU LEARN

- How to identify potential and existing service projects or activities within your personal and school networks.
- How to identify causes and organizations you most care about.
- How you and your SIA Team can work together to determine a project or activity to work on in the early part of the school year.

TO HELP YOU GET STARTED

REVIEW

Make Your Mark, 65 Ways to Make a Difference and Lead360 website for ideas about potential service projects for your SIA Team.

RESEARCH

Ask people you know, use the Internet and local newspapers to begin to make a list of the service needs in your community. What service is already being done in your school?

DISCUSS

Bring your research to your SIA Team to discuss and determine where you will begin your service efforts this year.
