

# GROUP AGREEMENTS

## THIS IS YOUR SIA TEAM!

It's important that your working space is safe and respectful for every member of the team and the adult advisors. Together your team will create a list of group rules and guidelines that you all agree to uphold as a team.

There are some possible agreements on the 2<sup>nd</sup> page of this worksheet. See what you think are the most important and suggest them to the group or offer your own agreement ideas. As your team comes up with your list of agreements, write them down on this page and keep them for reference.
